

Recirculated Fish Hatchery for sale

EQUIPMENT LIST

Professionally designed and constructed, system has successfully run Murray Cod Densities up to 300kg/m³

Equipment list:

12 x 45 litre larval tanks with steel tables

4 x 135 litre larval tanks with brine shrimp feeders and aeration system

Mobile venturi larval cleaning system with Grundfos pump, 2.5m³/hr

4 x 180 litre juvenile tanks

13 x 760 litre weaning tanks

1 x 860 litre tank

2 x 2050 litre grow out tanks

2 x 4050 litre grow out tanks

2 x 9000 litre fresh system water tanks

1 x Grundfos PC15 supply pump, 4m³/hr, 1kw

1 x 40watt UV light full flow for inlet water

12 x AGK auto belt feeders (12hour)

8 x floating bar graders, 3-10mm

1 x floating bar grader, 2mm

Trickle filter, bio filter with 6m³ of bio blocks with large 0.1kw axial bio ventilation fan

1 x 3600 litre upweller with 3m³ of bio blocks

1 x 1000 litre upweller with 1m³ of bio balls

1 x Oxair Oxygen generator, OA 35, 35scfh, 1m³/hr. (new)

2 x standby oxygen generators, Ogsi, PSA, OG15

Oxygen contact tower

1 x Ozonia Ozone generator, TOGC2, 4gms/hr dry air, 10gms/hr oxygen

Ozone concentrator tower

1 x Favre 2-60 Drum Filter, 100 micron, 3.5m³/hr, grundfos pressure supply pump, with controller

3 x Burkert system flow meters with constant digital read out

1 x Eutech ORP Monitor with constant digital read out

1 x Eutech ph meter with constant digital read out

1 x DeLonghi Dehumidifier

1 x Uviflo ultra violet light, 150 watts

12 x 10 litre cone shaped brine shrimp hatching vessels, built into a system with light, air, straining and washing capacity

12 x 18watt fluoro lights, BR-HG, higher lux achieves excellent hatch and growth rates for brine shrimp

1 x Air blower, ESAM, 0.75kw

3 x Grundfos pumps, 1.5kw, 46m³/hr

1 x Raypak Gas heater, 32kw

2 x variable speed inert water Grundfos circulation pumps

1 x variable speed Grundfos circulation pump supplying heat exchanger

Swedish heat exchanger

1 x Aquahort electric heater/ cooler unit, AH225, 2kw

1 x Speck 90/230 supply pump

Emergency back up phone calling system alarm for oxygen, power, flow and temperature

Auto operating back up oxygen system

1 x Hand held Eutech dissolved Oxygen meter (new)

1x Quarantine system- 1 x 1560 litre tank

- 2 x 650 litre tank
- Zeolite filter
- UV light, 40 watt
- 1 x Grundfos Pump, 6m³/hr, 0.25kw

1 x Orford commercial refrigerator, glass door

Many sundry items:

1 x large algal collection net (very fine)

Lengths of hoses and piping

Assorted screens

Brushes

Water testing Equipment

8 x Feed bins

4 x fry nets

Large number of air stones and tubing
