Aquatic Biological Survey & Report State Forest – Brown Mountain Near Bonang, Victoria

Robert B McCormack

Abstract

Vic Forests is a statutory body responsible for carrying out logging in Victorian State Forests. Environment East Gippsland has initiated proceedings in the Supreme Court of Victoria challenging Vic Forests logging of certain forestry coupes in the Brown Mountain region.

Australian Aquatic Biological has been commissioned to supply an experts witness report on the presence of the Threatened Orbost Spiny Crayfish *Euastacus diversus* in these coupes.

Environment East Gippsland v Vic Forests
